## SUMMARY

BSc Computer Science Graduate (Awaiting Results) with a strong foundation in Python, C, C++, and JavaScript, and hands-on exposure to Django and Flutter through my ongoing project BudgetBuddy. Skilled in problem-solving, communication, and collaborative teamwork. Passionate about clean code, continuous learning, and contributing to impactful technology projects.

---

## EXPERIENCE

### BudgetBuddy - AI Expense Tracker Project | Calicut , Kerala

#### Team Leader | Jul 2025 - Present

- Led a 4-member team in designing and developing an AI-powered expense tracking system to manage user income and expenses and predict future spending trends.
- Built an AI Forecasting Module to analyze spending history, generate expense predictions, and provide personalized budgeting tips.
- Integrated multi-platform technologies (Python Django backend with Flutter mobile frontend) for a seamless user experience.
- Managed database design and optimization using MySQL(via SQLyog); implemented responsive web interfaces using HTML,CSS, and Bootstrap.

### Bridgeon Solutions LLP – Kinfra Techno Industrial Park | Kakkancheri, Kerala

#### Web Development Intern | Sep 2024 (1 week internship)

- Completed web development internship (HTML, CSS, JavaScript)
- Built a personal portfolio website
- Gained hands-on front-end experience

### Regional Technologies | Kozhikode, Kerala

#### Python Intern | Dec 2025 - Jan 2026

- Developed Python-based solutions focusing on real-world problem-solving and logic building
  - Worked with data structures, debugging techniques, and code optimization
  - Strengthened backend development fundamentals and programming efficiency
- 

## SKILLS

- Programming Languages: Python, C, C++, Java, C#, PHP, JavaScript
  - Frameworks/Technologies: Django, Flutter, HTML5, CSS3
  - Databases/Tools: MySQL, SQLyog, Oracle DB
  - Soft Skills: Team Leadership, Time Management, Proactive Learning, Communication
-
